

# The Alpinedale

von Antje Becker

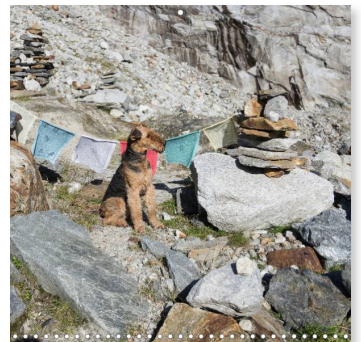

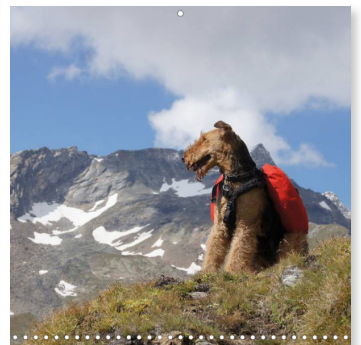

**Mountaineering with an Airedale Terrier**

Being both an ardent mountaineer and Airedale aficionado, I simply could not dump my dog, Luzie, in a boarding kennel during my holiday and still enjoy the climbing. So instead, I trained her from an early age to accompany me as far as she can - which is much farther than I had thought possible. Let Luzie's joy in roaming the Austrian Alps' highest mountain ridges accompany you through the year.
