

# New collages with hand drawn historical birds

von Christine B-B Müller

New collages with hand drawn historical birds

These are brandnew collages built with hand drawn historical birds

Actually vintage is a great theme in many areas of art design. Especially you can find pictures of plants, flowers and animals, which were handdrawn a long time ago. Now they have a spectacular comeback like here in this calendar, which shows you twelve new fine art collages with historical handdrawn birds.
