

Sunflowers for a year

von Anke van Wyk - www.germanpix.net

Fresh big yellow sunflowers are beautiful. Let them brighten your year and make you smile

Are you tired of all the bad weather, dark days and rain? Then you need some sunflowers in your life! Photographer Anke van Wyk from South Africa (www.germanpix.net) captured them in Italy just for you. No more days in a bad mood thanks to beautiful photographs of flowers with a facial expression; sunflowers for more sunshine in your life!
