Zakynthos - the Lovely Island

von Stefan O. Schueller and Elke

The Ionian island of Zakynthos at a glance

Zakynthos - Steep cliffs and high rock faces, lush greenery, numerous beautiful bays with light sand and the crystal clear blue water of the Ionian Sea make the island a real paradise for all sun and beach

Highlights of Zakynthos are the shipwreck at Navagio Beach and the breeding grounds of the hawksbill turtle on the island's wide sandy beaches. If you are lucky, you can even swim in the sea with the sea turtles, the mascot of Zakynthos.
